

*Really want to go on  
self-guided trip to  
Japan. I found some  
good travel guides  
online. Let's go!*

*Sounds great!  
I've been  
wanting to go  
as well.*

*Is that travel guides reliable?  
We can follow their itinerary,  
but if we want to visit other  
places, how should we plan the  
route? Will we get lost?Btw,  
What should we prepare in  
advance?*

*I find an  
amazing  
application  
called PlanGo !*

*It filters real travel guides  
and recommends them to us,  
we just pick our favorite one!  
It can also help us plan a trip  
based on our desired  
destinations with AI  
assistance!*

*Indeed, it's pretty good! I see that it also recommends hotels and attractions, so we can book them in advance!*

*It also provides essential travel information, so we can start packing our luggage!*

*This App is  
really great!  
We've already  
finalized our  
travel  
itinerary in  
advance!*

*The hotels are  
booked, and  
we've packed  
everything I  
need!  
Seems Great!  
zzz...*

*According to the app, the food  
recommendations for each location  
and the safety of the area are  
clear!*

*Eating, drinking, and having fun is  
so enjoyable!*

A comic panel showing two women sitting at a table in a cafe. The woman on the left has blonde hair, wears glasses, a purple dress, and red shoes. She is looking surprised. The woman on the right has grey hair, wears a purple jacket, a pink scarf, brown pants, and blue shoes. They are sitting at a small wooden table with a black pedestal base. On the table are a burger with fries, a coffee cup, and a bowl of ramen. In the background, there is a counter with various pastries like muffins and cookies, and three menu boards on the wall. The middle menu board features a green cup icon.

*Our cash is running low; we need to exchange some for the local currency!*

*No problem, the app shows nearby currency exchange locations and their business hours. You only need a passport. Let's go!*

*Good thing the app recommended leaving for the airport three hours early and suggested taking the subway, or we would have been late.*

*Yeah, we'll be home tomorrow! This trip has been so much fun!*
